

Wollaston Child Care Center

April 2020

We miss you more than words can say, and are anxiously looking forward to the day when our classrooms are filled with the joy, laughter and learning of our amazing students. During our time apart, please reach out if there is anything that you need during this challenging time. Feel free to leave a voicemail at 617-773-7217 or send and email to pwilson@wollatonchildcare.org.

**Week of the
Young Child™**

Although we are not together, we are thinking of all of our children and staff who are celebrating birthdays this month.

The Week of the Young Child™ is an annual celebration hosted by the National Association for the Education of Young Children (NAEYC) celebrating early learning, young children, their teachers, and families. Although this year we will not be together, we can all celebrate from the comfort and safety of our own homes.

4/13 Music Monday

This is the perfect day to host your own dance party. Dance in your pajamas to your favorite music, sing a song or form your own band in the kitchen with your pots and pans. Just make a joyful noise.

4/14 Tasty Tuesday

This is a great day to cook a tasty family meal. Feel free to send in your favorite recipes to share with the WCCC family.

4/15 Work Together Wednesday

This is a great day to work together on a puzzle, block structure, or if the weather is nice, a back yard clean up. When children work together on family projects, they learn the value of team work and cooperation.

4/16 Artsy Thursday

Children develop creativity, social skills and fine motor skills with open-ended art projects where they can make choices, use their imaginations, and create with their hands. This the perfect day to get creative and crafty. Use any materials from crayons to paint, marker, clay, feathers, gems, etc.

4/17 Family Friday

Engaging and celebrating families is at the heart of supporting our youngest learners. NAEYC & WCCC applauds family members' role as young children's first and most important teachers. We hope you have used this time at home to make some special family memories.

Virtual Field Trips

When you have to stay at home, virtual field trips provide a glimpse into big wide world. The internet allows us to visit some of our favorite places near and far.

The San Diego Zoo has a special section of its website just for kids.
