

# Wollaston Child Care Center

## June 2020

*We miss you more than words can say, and are anxiously looking forward to the day when our classrooms are filled with the joy, laughter and learning of our amazing students. During our closure, please reach out if there is any way in which we can be of assistance. Feel free to leave a voicemail at 617-773-7217 or send an email to [pwilson@wollastonchildcare.org](mailto:pwilson@wollastonchildcare.org).*

*We are in the process of planning for reopening in a manner that is safe for our children, families, and staff. As soon as the specific Massachusetts guidelines are available, we will be finalizing our protocols and will be reaching out to you. In the meantime, feel free to contact us with questions and concerns.*

*Although we are not together, we are thinking of all of our children and staff who are celebrating birthdays this month.*

### Virtual Field Trips

When you have to stay at home, virtual field trips provide a glimpse into the big wide world. The internet allows us to visit some of our favorite places near and far.

This month we are highlighting some sites featuring ocean animals and marine life.

The Georgia Aquarium

This year, Father's Day is June 21! We hope that all of the very special fathers and grandfathers within the WCCC community celebrate together with loved ones. We miss you and are thinking of you often.

### **WCC Zooms**

For the duration of our closure, we will continue to host center-wide children's zoom sessions every Tuesday at 3:00 and Thursdays at 10:00. We will also be offering a virtual Bible Stories session on Wednesdays at 11:00.

It has been wonderful to stay in touch with many of our students virtually during our time apart. Feel free to join in any or all of the sessions that fit into your schedule.
