## Reopening

We have been running with 3 preschool rooms and our toddler room since reopening. We are excited to announce a fourth room will be opening in the up coming weeks. Thank you for all that have trusted us to provide quality care for your children. Especially during these trying times. Our staff has done a terrific job keeping materials and surfaces clean for the children! With the uncertainty of public schools reopening, we will be offering a full day Kindergarten experience for those interested. Questions or comment please ask!!

## Welcome Families Spread the Word

We welcome all our past families that have come back, thank you. As well as the new families, we appreciate you all. Don't forget when private paying families spread the word and send a referral you will receive a free week based on that schedule. Ask the front for more details. Word of mouth is our best compliment!

## A Friendly Reminder

Please make sure your child's belongings are labeled. Such as clothing, food containers, water bottles, blankets, etc.
