Kindergarten Here We Come!

Congratulations to our students who will be leaving us for kindergarten this month. It has been a pleasure to watch you grow and learn over the years! We know you will have great success as you continue on your educational journey. We also extend best wishes to our graduates who did not return this summer. We will miss all of you lots and hope you stay in touch.

Labor Day

We will be closed in observance of Labor Day on Monday, September 7. We hope you all have a safe and enjoyable holiday!

Here's to our health

Stay Healthy this Flu Season

As most of you have heard, the Flu vaccine is now a requirement for school and child care attendance. We are required to have documentation of the influenza vaccine in each child's file by December 31. Once your child has had the vaccine, please bring in documentation for your child's file.

More information about this requirement can be found at <https://www.mass.gov/news/flu-vaccine-now-required-for-all-massachusetts-school->

Masks

Masks are important for keeping everyone healthy. We are encouraging all children age 2 and older to wear masks. Please bring at least two clean masks to school in case one becomes wet or dirty. Families should clearly mark masks with their child's name and distinguish which side of the covering should be worn facing outwards so they are worn properly.

Super food of the Month

Apple season is here! Try apple marinade, apple salsa, apple crisp, applesauce or pie. Apple butter made overnight in a crock is also great. Many area orchards will be open for apple picking with safety measures in place. Visiting an orchard is a great way to spend time together outdoors in the fall.
