

Family Questionnaire

As you and your child prepare to join our program, one of our goals is to get to know you and become acquainted with your family's interests, beliefs and traditions. Please take this opportunity to share any information to help us in developing our curriculum to be inclusive of every family. Help us get to know you, so that we can better serve your family!

Family interests:

Family traditions and beliefs:

Goals for your child:

Any other information that you feel comfortable sharing about your family:

If you feel more comfortable discussing these subjects in person, please feel free to stop by the Front Desk and share your thoughts with the director.
