Wollaston Child Care Parent Survey

With each new year and new families expectations change. This survey is to help us better understand what you love about us and how we can improve to fit your needs. Thanks for taking the time to help us help you!

1. What would you like your child to gain from this experience?
2. What areas would you like to see us improve on?
3. Would you be interested in your child receiving homework? Why or why not?
4. What would you like to see your child do more of?
5. What can we do to better meet your expectations?
6. How likely would it be that you would recommend us to friends and family?
7. Do you plan on having your child stay at Wollaston Child Care until Public Kindergarten? Why or why not?

Rate how important these areas are for you using numbers 1-5 with 1 being the most important and comment how you think your child does in that area, what you would like to see them do and how we can help.

Social (getting along with other children and adults)

Positive problem solving skills

Motor (moving large muscles and using small muscles of the hands)

Language (understanding and using oral speech)

Self-care (taking care of his/her own needs, such as feeding, toileting, dressing, etc.)

Academic Skills (Writing, Letter Recognition, Number Recognition and Counting, Shapes and Colors, Fine Motor Skills, Cutting, Reading Readiness)

**Please return to the front desk
before 10/12/2018 to enter raffle**
