Winter Weather Reminders

Although it is still warm outside, winter weather is sure to arrive someday soon.

Please be sure to send your child to the center with a warm jacket, hat and mittens for outdoor play.

If this happens there will be a message on our main phone line (617-773-7217) regarding changes in hours of operations or the Center closing. We will also send email updates to the addresses that we have on file and post the information on our Facebook page. If ever you have questions please don't hesitate to call us.

Stay Healthy this Flu Season

As most of you have heard, the Flu vaccine is now a requirement for school and child care attendance. We are required to have documentation of the influenza vaccine in each child's file by December 31. Once your child has had the vaccine, please bring in documentation for your child's file.

More information about this requirement can be found at <https://www.mass.gov/news/flu-vaccine-now-required-for-all-massachusetts-school->
