## Labor Day

**WCCC will be closed  
on Monday September 5.**

## Reminders

As we welcome the new school year, we would like to take this time to wish our departing students the best of luck, and welcome our new students!

- We ask that you please drop your child off no later than 10:00 am.
- Please be sure to sign your child in and out at the front desk.
- Please remember that children must wear closed toe shoes to school.

## Children's Literacy Initiative

WCCC is happy to announce that we have been accepted into the Children's Literacy Initiative! Both our teachers and administration will begin this journey next week.

A little more about the CLI Initiative: CLI provides educators with high-quality training, coaching, and resources to enable them to become exemplary instructors who make an impact in helping children achieve reading proficiency at or above grade level.

- Staff will receive small group coaching
- The center will receive collections of high-quality children's literature and a variety of other learning materials.
- Staff will have the opportunity to participate in various workshops and seminars.

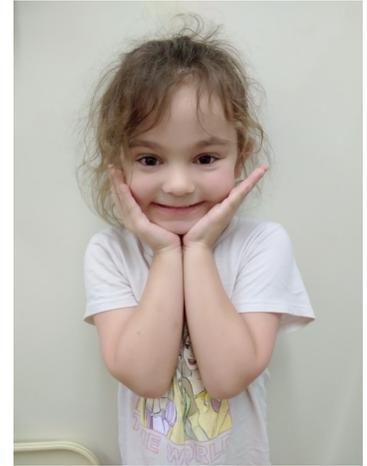

We will share more with families once we get started.

## Ages and Stages Questionnaire

Your child's first 5 years of life are so important, we want to help you provide the best start for your child. You've been invited to participate in the *Ages & Stages Questionnaires, Third Edition (ASQ-3)*, to help you keep track of your child's development. The questionnaire may be provided every 2-, 4- or 6-month period. You will be asked to answer questions about some things your child can and cannot do. The questionnaire includes questions about your child's communication, gross motor, fine motor, problem solving, and personal social skills.

Please follow this link to share more information with us.

## WCCC Family Incentive Program

Our incentive program allows our families to become more actively involved in the growth of our childcare program. If you believe our center is providing the quality of early education and care that you expect and deserve, please recommend our center to your family, friends, and colleagues. **If the family you recommend decides to join our program and participates for a minimum of three continuous months, your account will be credited in the amount of one week of tuition.** (Unfortunately we can not extend this plan to voucher participants.) Please let us know if you would like informational materials to share with your family and friends!
