

## Wollaston Childcare Center October Newsletter

**Happy October WCCC families!** As you can see, we have adopted a new format for family newsletters and teacher/parent communication. As mentioned in September's newsletter, we have been accepted to the Children's Literacy Initiative. In addition to new curriculum and teacher coaching, we have received access to the **Kaymbu** app which will aid us in communicating with you electronically. Teachers will use this app in place of written journals to communicate and send photos, (This will take a week or so to get started). You will receive this information via the email address you gave us in your enrollment packet. If you would like to update/add an email address please check in at the front desk. Please be aware that information and photos of your child are shared exclusively within the Kaymbu app. Please let Jen or Patti know if you have any questions.

**WCCC will be closed on Monday  
October 10 in observance of  
Columbus Day.**

**Save The Date (In person events)**

**Back to school night: Tuesday October 18 4:30pm-5:30pm**

Come spend some time in your child's classroom, get to know their teachers, and hear about the day!

**Looking for ideas to support positive behaviors in your child?**

**Wednesday October 26 4:30pm-5:30**

Join two of our educators for a conversation about facilitating children's social-emotional development.

There will also be an explanation of Pyramid Model practices used at WCCC.

**Center Reminders**

Please be sure to arrive at the center by 10:00am the latest. If your child will be late due to an appointment, or absent please give the center a call.

Take a look through your child's extra clothes and switch them out for cooler weather clothing. Please label your child's clothing, if you need a marker we have some at the front desk.

Here at WCCC, one of our philosophies is that children need plenty of fresh air and time to "move" their bodies. Though the cooler weather is approaching, we plan on going outside on the

playground and for neighborhood walks. Please send your child to school with a hoodie or light jacket.

## **Ages & Stages Questionnaire**

The Ages and Stages Questionnaire (ASQ) developmental screening provides families the opportunity to share and learn about their child's development, to celebrate their growth and to address any questions or concerns they may have about what "typical development" looks like.

We would love for you to complete an Ages and Stages Questionnaire. This helps our educators learn a bit more about your child's development and provides valuable insights on what you see at home. The ASQ is designed to be filled out by families, it is user-friendly, and should only take about 10 minutes to complete. It can be filled out on paper or online. Please let us know if you would like a paper version of the screening tool. Here is the web address to complete the screening process.
