Pumpkin Pie Microwave Playdough Recipe

Ingredients

- 4 cups plain flour
- 2 cups salt
- 2 tsp cream of tartar
- 2 tbsp vegetable oil
- 4 cups water (add orange food coloring as desired)
- Pumpkin pie spice

Combine all dry ingredients (besides pumpkin spice) in a microwave safe bowl. Stir dry ingredients and then stir in the oil and water mixed with food coloring. Stir until the ingredients are well combined.

Microwave for 5 minutes, remove and stir. Add 2 more minutes and stir again. If mixture still looks wet, add 2 more minutes. Once playdough is ready, remove it from the bowl and knead it on the counter. Sprinkle the pumpkin pie spice into the dough while kneading.

Your playdough is ready to go!
