Winter Weather

Please be sure to send your child to school dressed in layers, wearing a coat, hat, and mittens. If the ground isn't icy and it's not too cold, teachers will be taking the children outside.

Snow Closures: In the event of a snowstorm or icy roads, we will post the delay or closing alert on Kaymbu and our Facebook page. We will also email families and leave a message on the center's voicemail.

Fun At Home Winter Activities

Looking for ways to keep your child busy on those cold days at home? Here are some links for fun activities using items you may have in your home.

Photos of Fun at WCCC!

Farid and Judah count money at the cash registers!

Charlie and Jane sort colorful bears.

Andrian, Jasper, Elaph, and Pippa use wood pieces and glue to make magnificent structures!

Emma and Ella enjoy playing with the cupcakes..yum!

Royi rides the bike upstairs in the community room.

Jayden builds both a 3D structure and pattern creation with the magnet tiles.

Lyra's mom (Jess) visited and taught us all about the solar system!

Using the Mr. Bubble foam soap is a great sensory experience.

Augie has so much fun playing upstairs in the community room!

Room 4 was learning about farm animals in January. Patrick and Nathan take special care to wash our horses.

Desmond decorates a lantern for Lunar New Year.

Chase, Sophie, and Louie play Hungry Turtles!

Vivian practices early writing skills by tracing letters in the "snow."

Luna, Vivienne, and Ronan work together to build an amazing structure!

Adán and Yona say; "Happy Lunar New Year!"

Nico and Olivia organize a game on the rug.

Hope you all have a wonderful week!

Please let Patti or Jen know if you have any questions.

Stay warm!
