Ages & Stages Questionnaire

The Ages and Stages Questionnaire (ASQ) developmental screening provides families the opportunity to share and learn about their child's development, to celebrate their growth and to address any questions or concerns they may have about what "typical development" looks like.

We would love for you to complete an Ages and Stages Questionnaire. This helps our educators learn a bit more about your child's development and provides valuable insights on what you see at home. The ASQ is designed to be filled out by families, it is user-friendly, and should only take about 10 minutes to complete. It can be filled out on paper or online. Please let us know if you would like a paper version of the screening tool. Here

is the web address to complete the screening process.

Announcements and Reminders

Extra clothing- Please be sure that your child has extra pants, long sleeve shirts, underwear, and socks in their cubby. It is also a good idea to bring an extra hoodie or sweater.

Family Night- Please join us on Thursday, October 26 from 4:30-5:30 and get to know your child's teachers and see the classroom.

Busy Friends at WCCC!

Thanks for reading. As always, please let us know if you have any questions.

The header features a light orange background with several pumpkin illustrations. On the left and right sides, there are larger, semi-transparent pumpkin graphics. A horizontal band with a repeating pattern of smaller pumpkins runs across the width of the page, positioned just below the text.

Have a great week!
