

**Wollaston
Child Care Center**

July 2024 Newsletter

Hello Families-

Here's to July! May it bring sunny days, warm nights, and endless adventure.

Please take a minute to read about our news.

WCCC will be **CLOSED** on Thursday, July 4.

Announcements and Reminders

Water Days!

Starting Monday, July 1, WCCC will start outdoor water play. Each classroom will get a set time outside to play in water tables, splash pads, etc.

Please dress your child in a swimsuit and closed toe water shoes. If your child is in diapers, please send swim diapers to school. Children will need a towel, a fresh change of clothes and shoes. All water days start promptly at 10:00am. The schedule is below:

Monday - Room 4

Tuesday - Room 6

Wednesday - Rooms 1 and 3

Thursday - Room 5

Friday - Room 2

Please let your child's teacher know if you have any questions

about water day.

Sunscreen- Please apply sunscreen in the morning. If you would like teachers to reapply in the afternoon, be sure to sign a form at the front desk.

Summer fun at WCCC!

Classroom 1 friends build and play with the animals.

Playing with the baby doll is so much fun!

Having fun with the hoops on the playground!

An artist at work!

She works on her fine motor skills, and understands cause and effect, by dropping balls through various sized paper towel rolls.

Friends use dot markers to create a masterpiece while developing their small muscle skills.

Exploring kinetic sand helps children develop their fine motor and observation skills. Best of all it is great fun!

Working together to build a tall structure, the children develop geometry, engineering and teamwork skills.

Classroom 5 friends used their arms to measure, count, and quantify vehicle counters. They talked about who has more and who has less as well.

Room 6 friends have fun playing with bubbles on the playground!

Classroom 6 friends play a dinosaur game together.

Thanks for reading. We hope you have a fun summer!
